

# Crystal Ice Figure Skating Club Membership

The fees listed below do not include U.S. Figure Skating Membership fees which are required for all skaters. All memberships require good standing within a club. Memberships can be canceled or suspended for failure to pay dues, complete volunteer requirements, or violation of the code of conduct. These descriptions are subject to change at the discretion of the CIFSC Board of Directors. Members will be notified of any changes.

Memberships run from July 1-June 30 and must be renewed annually. Skaters wishing to utilize summer ice in July and August must renew their membership by June 30. Membership enrollment will open late May and close the day before the August membership meeting. It will not reopen until the following May. Junior Club members who are 18 at the time of registration or will be 18 before the ice show of that membership year, must complete their SkateSafe training before membership is considered complete.

## U.S. Figure Skating Membership

These fees are set by US Figure Skating and are subject to change at their discretion. All CIFSC members must also hold a US Figure Skating Membership. These fees are **in addition** to the CIFSC membership fees listed above.

There are four full membership categories:

### 📄 **Introductory**

Available only through a member club, this full membership is open to first-time full members at a discounted rate of **\$30** and **\$24** for a subsequent introductory membership. Introductory membership carries the same privileges as a full membership.

### 📄 **First Family**

The first family member to register for a full individual membership receives all privileges of a full U.S. Figure Skating membership. First family membership in a club is **\$60** yearly.

### 📄 **Subsequent**

This membership option is available for related persons residing at the same address as a first family member. Subsequent family members can join at a reduced rate of **\$24** and enjoy the privileges of full membership.

### 📄 **Four-year Collegiate**

This four-year full membership is available to college-aged members at a reduced rate, and all skating privileges apply for the four-year duration. Collegiate members can purchase this membership through any club for **\$70** or individually through U.S. Figure Skating for **\$170**. Each athlete may only use this option once during their skating career.
