- Crystal Ice Figure Skating Club volunteers will monitor changing room areas periodically throughout the Ice Show to ensure that all athletes are abiding by their policies.
- Learn to Skate parent volunteers will monitor staging room areas throughout the Ice Show to ensure all athletes are safe, calm, and ready when it's their turn on the ice. These volunteers also have activities (coloring books, games) for the skaters to pass the time when they are not performing.

- Changing areas are monitored by the Two Deep leadership method to minimize one-on-one interactions between minors and adults.
- Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras, and video cameras, are prohibited from being used in changing rooms or staging rooms.
- Separate changing areas will be available for male and female athletes.
- Athletes under the age of 11 who require parent assistance Should utilize changing tents located in the upper-level Skyward Room.
- Synchro Skaters in Cinderella, Madagascar, or Hercules, are to utilize the changing tents located in the upper-level skyward meeting space to change with the assistance of their parent. - Athletes 18 years of age and older will be allowed in locker rooms with their teammates under the age of 18 ONLY if they have completed the SafeSport training.

VOLUNTEERS:

The Ice Show would not be possible without the assistance of parents and friends. Please watch for the sign-up board in the rink lobby. Volunteers are needed to monitor staging rooms during each performance. Thank you in advance.

SHOW DAY REMINDERS:

- Wear your costume during pictures, dress rehearsal, and on show days only.
- Wear your tights and boot covers if applicable.
